

## AOLS Educational Foundation Donation Form

### *Invest in the Future*

The AOLS Educational Foundation is a registered charity (13456 8161) founded in 1973 to build a fund to sustain awards to post-secondary geomatics students who have attained high academic achievement and have contributed to social activities. Since 1975 over \$680,000 has been awarded to over 550 students and 114 have become Ontario Land Surveyors. Currently 14 of the AOLS Articling Students are Foundation award winners.

I would like to support awards to geomatics students through my donation to the AOLS Educational Foundation.

Please find my donation enclosed:

Individual:  \$100  \$250  \$500  \$1000 (Lifetime)  Other \_\_\_\_\_

Corporate:  \$250  \$500  \$1000  \$2000 (Sustaining)  Other \_\_\_\_\_
