

NOTICE

To: All persons holding AOLS liability insurance  
From: Lorraine Petzold, O.L.S.  
Date: July 23, 1987

-----  
You are reminded of the following.

If you have an Ontario Land surveyor on staff who leaves during the year to work with another firm there is no rebate from the insurance company or the Association. Any consideration of the fee which your company may have paid for his insurance should be negotiated with either the O.L.S. or with his new company at the time he leaves.

Please keep this in mind and have these arrangements made prior to your final settlement with the O.L.S., as the insurance company, the broker or the Association cannot assist you in this regard.
