**TO ALL MEMBERS,**

re: INDEX OF AWARDS OF THE BOUNDARY LINE COMMISSIONERS

The index of the Awards of the Boundary Line commissioners has been completed by the Ministry of Consumer and Commercial Relations. Their letter to us stated:

"While the Legal and Surveys Standards Branch considers the effect of an Award handed down by the Boundary Line Commissioners, authorized under 1<sup>st</sup> Vic. Cap.19, 1837-38, as amended by 3rd Vic. Cap. 11, 1840, to be conclusive, the effect of each Award is a matter to be determined, in each instance, by the practising surveyor during the course .of his related survey.

"The area of search for these Awards was as follows:

- (1) In each Land Registry Office, where an Award might have been filed;
- (2) The .Survey Records Office of the Ministry of Natural Resources; *AND*
- (3) The Archives of Ontario.

### Awards by Boundary Line Commissioners

"The Act, up until the amendment of 1840, required Awards to be published in the Upper Canada Gazette, and the Award and plan of the boundaries to be filed in the office of the Surveyor General of the Province and in the proper Land Registry Office. After the Amendment, Awards were no longer required to be published, and the Awards and plans were filed only in the Land Registry Offices.

"The search in the Land Registry Offices disclosed 89 Awards and/or plans, which, in most instances, were not numbered nor indexed. One should keep in mind that these plans were lodged in those offices (1839-1843) before the advent of the geographic abstract index as used today. A copy of each Award and/or plan found in a Land Registry Office was recently made and this copy was deposited in the Land Registry Office in which it was found and given a deposit number.

"Anyone wishing to view or obtain a copy of these Awards should refer to the right hand column of the Index for the deposit number and order the Award from the appropriate Land Registry Office.

"As mentioned above, Awards and/or plans were required to be filed in the Surveyor General's office up to the date of the Amendment of 1840. The Survey Records Office of the Ministry of Natural Resources has an index of the Awards filed with the Surveyor General. We have enclosed a copy of that index, the contents of which have been incorporated into the Index that this Branch has compiled.

"Finally, a copy of each Award published in the Upper Canada Gazette was obtained from the Archives of Ontario (copies enclosed) and reference to these Awards was also incorporated into the Index.

"While the above investigations were reasonably exhaustive, we are sure that there are a number of Awards that we were unable to discover, in fact, we did note certain reference to Awards which we were unable to find.

"To ensure that the information on Boundary Line Commissioners Awards is readily available, the Ministry recommends as follows:

- ( a ) that the Association make a copy of the Index available to all practising surveyors, and ultimately that it be incorporated into the listings in the Ontario Land Surveyors Manual;
- (b) that the Association make a copy of the Awards, published in the Upper Canada Gazette, available to surveyors, to avoid numerous requests to the Archives of Ontario (A COPY OF THESE AWARDS IS IN THE FILES AT THE ASSOCIATION OF ONTARIO LAND SURVEYORS OFFICES);
- (c) that the Association request that any surveyor knowing of any Awards and/or plans not listed in the Index, submit a copy to this office, so that we can incorporate reference to them into the Index."

The Association of Ontario Land Surveyors wishes to thank the Ministry of Consumer and Commercial Relations, Legal & Surveys Standards Branch, for the preparation of this Index which, in our opinion, is a very worthwhile project and we know that the profession will find it very useful.
