1	Brian was nice and vague on most points, must have a history working for the government. A little more in the way of hard facts and straight answers would have made the presentation more credible. Hopefully there will be much more detailed information presented at the AGM	2/5/2015 3:07 PM
2	I had heard Charlie speak at the ERG meeting in Ottawa. It was a similar presentation.	2/5/2015 2:22 PM

1	Great job folks.	2/9/2015 8:26 AM
2	Well done moderating the webinar Julia. Thank you.	2/6/2015 8:08 AM
3	If one hour isn't long enough then make the Webinars longer or do them more often.	2/5/2015 3:07 PM
4	Should have spent more time on Brian's presentation since critical to AOLS. Blain simply repeated information already available to those registered at the AGM.	2/5/2015 2:20 PM
5	The sound was lost on several occasions for up to one minute. I don't know if it was internal to my computer or system wide. This was my first webinar and I look forward to more. Thank you for organizing this event.	2/5/2015 2:11 PM
