1	It didn't provide any substantive content on the issues that the title of the webinar suggested.	5/31/2017 5:07 PM
2	webinars with such high attendance are not particularly engaging, but that is expected. Not a bad thing.	5/31/2017 2:23 PM
3	Very Dry information. I was expecting examples	5/31/2017 2:23 PM
4	Too much background on where LawPro came from and what they do, not nearly enough relevant info about what might be done to promote the use of up-to-date surveys to identify problems before the transaction is completed	5/31/2017 2:14 PM

1	The exception maybe the one that was asked about whether if a survey was obtained after the title insurance was purchased and the house closed; if the insurer would answer the claim, as there was no prior knowledge. In fairness the questions could have been phrased better.	5/31/2017 3:30 PM
