1	Yes, very. Unfortunately some members seem to drill down to the nitty gritty details that are outside the scope of this presentation.	8/30/2018 8:43 AM
2	However, it is not clear to me how the membership will be compelled to apply a plan submission sticker to a sketch; and what criteria the SRD will use to review and comment on sketches.	8/29/2018 3:08 PM
3	I happen to agree and fully support the sketches bulletin. Once we have everyone on board with procedures and practice in accordance with the bulletin, then we need to get a SRD sticker on every sketch.	8/29/2018 3:02 PM
4	Some questions were to complex for a fulsome response in a webinar setting	8/29/2018 2:18 PM
