2	Particularly glad that they will not revisit the sketches debate until after they give it some time. I am in total agreement with the by-law	2/19/2019 7:53 PM
3	Yes - except for the second response to the question about sketches. AI stumbled over his words and seemed to contradict himself. A clarification from Council would be helpful	2/19/2019 4:19 PM

1	Looks like a good group of people to lead council over the next while	2/19/2019 7:53 PM
2	We continue to have technical issues with GoTo and our group could only listen to the seminar on an iPhone.	2/19/2019 5:04 PM
3	I think that one of the questions regarding building ties on sketches was misunderstood. When an addition or a new structure on a lot which already has structures on it is intended, the building department will often want to ensure that the existing structures are compliant with the zoning bylaws, and therefore require the location of the existing buildings.	2/19/2019 4:06 PM
