OBITUARY.

FREDERICK LUCAS FOSTER.

Our Vice-President Frederick Lucas Foster, whose decease we record with deep regret, was the son of Mr. Colley Foster, Barrister, and grandson of Colonel Foster, sometime Commander of Her Majesty's forces in Upper Canada. He was born in Toronto, on February 21st, 1842. After receiving his early education at Upper Canada College, he was for some time attached to the Military School in Toronto, and was a member of the Trinity College Rifle Corps. Having decided to embrace the profession of Land Surveyor, he was apprenticed to Mr. Charles Unwin, his cousin, on October 11th, 1858, and during his apprenticeship he was frequently occupied on government work with his eminent master. After completing his course with Mr. Unwin, and passing the requisite examination, he was sworn in as a Provincial Land Surveyor on April 9th, 1863. He commenced his professional career at Windsor, Ontario, in 1865. A good deal of Township work was entrusted to him, and the Government also employed him on the survey for defining the boundary between Canada and the United States along the St. Clair River. He was a member of the Council of Ontario Land Surveyors from 1895 to 1899. Mr. Foster was distinguished as a draughtsman, and made a plan of North America for the Ontario Government in 1884.

He was admitted as a member of the Ontario Society of Artists in 1888, and was for several years one of their Executive Council. Evidence of his ability as an artist have frequently appeared in the Annual Reports of the Land Surveyor's Proceedings.

In 1872 he married a daughter of Colonel D. D. Broadhead, of Boston, Mass., and two daughters, who survive him, were born of this union. His wife died in 1887.

Mr. Foster's simplicity of character, honesty of purpose and dignified gentlemanly bearing, are borne witness to by all who knew him; and in private life his gentleness and unselfish kindness, endeared him to all with whom he has associated.

He died at Toronto, on July 27th, 1899.
