## OBITUARY.

---

SINCE our Sixth Annual Meeting a break in the ranks of membership has been caused by the death of Mr. A. C. Webb, D.L.S. and P.L.S., who passed over to the great majority on the morning of May the 29th, after an illness of several months.

Mr. Adam Clark Webb was born in the Township of Cramahe, near Colborne, on August 9th, 1840. His father, the late Thomas Webb, was a native of the County of Cavan, Ireland, and emigrated to Canada in the early part of this century. A pioneer of the County of Northumberland, he rose to a position of influence and wealth. Mr. A. C. Webb, the youngest of the family, after completing a course at Victoria College, Cobourg, became articled to the late Richard Brown, P.L.S., and received his commission as Provincial Land Surveyor in 1864. He then attended the Royal Military College at Kingston for military instruction, and in 1866 formed the first volunteer company organized in Brighton. Eminently fitted in all respects for a soldier, he remained a member of the 40th Battalion, and rose to the rank of Lieutenant-Colonel, which position he recently resigned owing to the pressure of his duties as a surveyor. His fine physique, thrilling voice and genial disposition will long be remembered in the regiment.

Mr. Webb was one of the first surveyors entrusted with professional work in the North-West Territories, being in command of the surveying party whose operations were peremptorily ended by Louis Riel at the commencement of the Rebellion of 1869. During the seasons of 1871-'72-'78-'79-'80-'81-'83-'84-'85 and '86 he was employed by the Dominion Government on the more important surveys of the Territories. A sunstroke received when at Medicine Hat, N.W.T., in 1885 had a lasting effect on his constitution.

For many years Mr. Webb was a member of the Boards of Examiners for Provincial Land Surveyors at Toronto and for Dominion Land Surveyors at Ottawa.

The Village of Brighton, which was the home of Mr. Webb during the last twenty-five years of his life, was almost entirely laid out by him. Mount Hope Cemetery, in Brighton, which was subdivided by him many years ago, now contains his earthly remains.

Mr. Webb leaves a wife, two sons and a daughter to mourn his loss. Prominent in matters political, municipal, and professional, he will be missed by many.

TORONTO, JUNE 10TH, 1891.
